CLERK: Mr. President, Senator Dickinson asked to be excused until noon. Senator Wiltse asked to be excused until 11 o'clock. A quorum present, Mr. President.

PRESIDENT: Corrections for the Journal.

CLERK: Corrections read. See Page 1841, Journal.

PRESIDENT: Any more corrections from the floor? The Journal shall stand. Committee reports, Mr. Clerk.

CLERK: A communication from the Executive office, under date of May 8th. Read. See Page 1842, Journal. That is all, Mr. President.

PRESIDENT: The Chair recognizes Senator Stull. For what purpose do you arise, sir?

SENATOR STULL: Mr. Speaker, members of the Legislature, I want to call your attention to LB 344 and then I would ask you to look at Rule 5, subsection (g). I think that is a bill that carries an appropriation and is a change in program. The appropriation will be over \$50,000 and the A bill should've accompanied this bill across the Board. At this time, there is no A bill.

CLERK: What is the number of it?

SENATOR STULL: 344.

PRESIDENT: Well, now, I...would you give me that Rule, again, please, sir.

SENATOR STULL: Rule 5, subsection (g).

PRESIDENT: Senator Clark, did you hear the point raised by Senator Stull?

SENATOR CLARK: Yes.

PRESIDENT: Do you think you could check with your fiscal staff?

SENATOR CLARK: I really don't think it needs an A bill.

PRESIDENT: All right.

SENATOR CLARK: I mean, it has nothing about funding in the bill. The only funding it has in there is mill levy. I am sure it will need additional funding but I don't think it has to be in that particular bill.

PRESIDENT: Senator Frank Lewis.
